

POLICY

- a) In case of an accident or illness the teacher on duty or at hand shall administer first aid and report to the principal. If the case is considered serious, the parent shall be consulted and a medical doctor and/or called – preferably the family doctor.
- b) If a pupil is sent home, care shall be taken to make sure that the parent or some responsible person is in the home to take care of the child.
- c) The pupil shall be accompanied home by a reliable older person.
